

**ENVIRONMENTAL PROTECTION ACT 1994**

**Section 152**

**Application notice**

**PL 209 and PL 445**

**Resource activity: Site specific petroleum activity**

It is advised that Senex Assets 2 Pty Ltd (ACN 650 731 918), a wholly owned subsidiary of Senex Energy Pty Ltd (Senex), has lodged an application for a major amendment to an environmental authority in accordance with the requirements of the *Environmental Protection Act 1994*. The environmental authority being amended is P-EA-100112777.

The application relates to authorising the construction and operation of regulated structures (dams).

The resource activity is proposed to occur on the following tenure(s) and will involve:

- The relevant tenures are Petroleum Lease (PL) 209 and PL 445.
- The resource activity involves the construction and operation of up to three regulated structures and up to five low consequence structures to allow Senex to manage water produced as a by-product of natural gas production.

The application documents consist of an EA application form, supporting information document and associated appendices, and Senex's response to the Department of Environment, Tourism, Science and Innovation (DETSI) formal Information Request.
